

Scheduling Committee Report:
Feb 17, 2021

1. The Age Group Committee recommended cancellation of the 10 & U championship meet scheduled for April 24, 2021. The major reasons for this decision are:
 - a. Timing of the championship meet
 - b. The abundance of parents on deck to help shepherd 10 & under athletes to and from warm up to their scheduled events is not consistent with the safety practices under current Covid 19 safety protocols of no spectators.

2. Season ending meet(s) task force:
 - a. Goal for the meets is to provide opportunity for participation by maximum number of Pacific Swimming athletes for a year end series of meets to cap a season severely affected by the pandemic.
 - b. Option 1- utilize the dates and facilities of the 3 summer championship meets
 - i. Summer JO – San Benito Aquatics – Hollister
 - ii. Senior 2 P/F – WCAB – Heather Farm Park
 - iii. Far Western LC – Terrapins – Cowell Community Pool
 - c. Option 2 – A series of Zone Intra-squad, Dual or Tri meets where results are compiled by the LSC in a virtual meet format similar to the 18 & U championship meet hosted by USA-S in Dec 2020.
 - i. No distance travel by athletes (Zone 3 & 4)
 - ii. Opportunities for athlete participation via local meets
 - iii. Parameters for participation to be refined

Option 2 was selected by the task force as the path forward. Details to be worked out in a series of upcoming task force meetings.
