

1407GC1 – Creation of Developmental Championship Meet

The Age Group Committee would like to move to create a 'Developmental' level championship meet to run twice a year—Spring (SCY) and Summer (LCM). This dual venue meet would occur approximately three (3) prior to the SC and LC Junior Olympic Championships allowing swimmers the opportunity to qualify for these competitions. Qualifying standards would be the USA-S 'A' Motivational time standard.

This meet will run on a 1 year trial basis. After the conclusion of the trial it will be reassessed to determine if this meet should become a permanent meet on the Pacific Swimming schedule.
